Message

It gives me great pleasure to know that Gopikabai Sitaram Gawande Mahavidyalaya Umarkhed, Dist. Yavatmal is organizing One Day National Conference on Intelligent Future: Multidisciplinary Approaches to Artificial Intelligence [IFMAAI-2025] on 30 August, 2025. The conference's theme has a wide range of topics connected to Smart Computing in the age of Artificial Intelligence. This conference is a step towards achieving the technological objective of becoming an excellent academic and research institution that produces high-quality human resources.

This conference will definitely encourage participants from diverse academic cultures to learn new things and integrate Artificial Intelligence into academia.

I would like to congratulate Gopikabai Sitaram Gawande Mahavidyalaya, Umarkhed for their efforts in organizing this conference.

I extend my best wishes to the entire organizing committee of the conference and the participants. I wish the conference a grand success.

With Best Wishes,

Pangrikar

Date: August 28, 2025

Mr. Ram Anantrao Deosarkar

President

MESSAGE

On behalf of the management committee of the institution and in my capacity as the President, it gives me immense pleasure to extend my warmest wishes for the successful organization of this prestigious conference, scheduled on 30th August 2025, organized by the Faculty of Commerce and Management, Gopikabai Sitaram Gawande College, in collaboration with the Indian Accounting Association, Akola Branch.

It is heartening to note that G.S.G. College, one of the finest institutes under Amravati University and across Maharashtra, has always been known for its innovative programmes and outstanding academic achievements. This conference once again reflects its commitment to academic excellence and intellectual progress.

**"Artificial Intelligence is not a man versus machine story,
but a story of man with machine."**

In today's 21st century era of transformation, Artificial Intelligence (AI) has emerged as the cornerstone of innovation, offering big insights and powerful tools to reshape mankind's future. Hence, the theme of this conference is not only relevant but also visionary, as it will empower both urban and rural societies with fresh perspectives and applications.

I warmly welcome the distinguished keynote speakers, eminent resource persons, research scholars, and enthusiastic participants who have gathered here to share their dynamic knowledge and inspire collaborative learning.

"Knowledge grows when shared."

As the President of Yavatmal Zilha Akhil Kunbi Samaj, I take pride in the fact that such a platform has been created to encourage the exchange of innovative ideas and research insights. I am confident that this conference will play a pivotal role in advancing the field of Artificial Intelligence and its multidisciplinary applications.

"The future belongs to those who prepare for it today." May this conference pave the way for a brighter, more intelligent, and more inclusive tomorrow.

With best regards,

Mr. Ram A. Deosarkar

MESSAGE

It gives me immense pleasure, as the Secretary of Yavatmal Zilla Akhil Kunbi Samaj, to extend my heartfelt best wishes to the organizing committee of the Faculty of Commerce and Management, Gopikabai Sitaram Gawande College, and the Indian Accounting Association, Akola, for successfully arranging this prestigious employment oriented conference.

As one of the premier institutes under Sant Gadge Baba Amravati University, the college has always been recognized for its innovative academic initiatives and for embracing new trends in the field of research and academic.

This National Conference on “Intelligent Future: Multidisciplinary Approaches to Artificial Intelligence” is both timely and significant. It is expected to focus on the integration of Artificial Intelligence in areas such as sustainable education, advanced research, and multidisciplinary studies. Such deliberations will not only highlight cutting-edge applications of AI but also inspire new perspectives for addressing real-world challenges.

I deeply appreciate the efforts of the organizing committee in selecting this theme. The conference will undoubtedly prove to be of great value to participants from diverse fields from the entire country. Especially in this rural locality, the opportunity for students, researchers, scholars, teachers, and professionals to engage in meaningful dialogue on AI will open new avenues of insight and learning.

I warmly welcome the distinguished keynote speakers, resource persons, and all dignitaries, and extend my best wishes to the participants. May this conference become a platform for exchanging brilliant ideas, sharing valuable knowledge, and making significant contributions towards nation-building.

As the Secretary of Yavatmal Zilla Akhil Kunbi Samaj's Gopikabai Sitaram Gawande Mahavidyalaya, I assure my continued support and encouragement for such noble academic endeavors.

Best Wishes

Dr. Y. M. Raut

MESSAGE

It gives me immense pleasure to welcome you all to Gopikabai Sitaram Gawande Mahavidyalaya for the One-Day National Conference on “Intelligent Future: Multidisciplinary Approaches to Artificial Intelligence (IFMAAI-2025)” to be held on 30th August 2025.

The objective of this conference is to enrich and disseminate knowledge on the intelligent future shaped by Artificial Intelligence and its multidisciplinary approaches. We believe that the interaction between researchers, academicians, practitioners, and students from diverse institutions will foster meaningful dialogue, encourage collaboration, and open new avenues of innovation.

Artificial Intelligence is the future and is rapidly transforming every sector of human life. Like every new invention, AI brings opportunities, advancements, and challenges. At the same time, it also raises misconceptions and uncertainties. This conference aims to provide a platform to discuss both the positive insights and critical concerns of AI, thereby paving the way for constructive perspectives.

I sincerely hope that this conference will cover a wide range of sub-themes such as AI in commerce, sustainable innovation, management, business, social sciences, humanities, and science & technology.

On behalf of the institution, I extend my warmest welcome to all participants, keynote speakers, and delegates. I am confident that your contributions will make this conference a memorable and intellectually enriching experience.

Best wishes for a successful conference!

With regards,

Dr. M. B. Kadam
Principal
